We are getting calls from the newspaper but will only address the solid waste issues. I did get a call from Aaron on monday with him asking if he can accept a few deliveries. I followed up with an email that told him that he can process what he has, but cannot accept any more shipments (as our letter stated), until we feel the amount is manageable and we renew his permit.

Sorry I couldn't give you a heads-up about that. That was EPA Criminal Investigation Division (CID).
